## THE SILENCE OF THE SNOW

Walking on snowcovered paths in the silence of the woods, surrounded by enchanted mountains and clear skies. The Dolomites in winter are also this: relaxing and regenerating excursions, both on foot and with snowshoes, accompanied by Alpine Guides.

Ask for the winter walks map at the Tourist offices

## WALKING SLOWLY

Routes to follow with your skis or snowshoes, but far from the slopes, at a slow pace, moving towards a mountain hut and taste the typical dishes of the Ladin tradition.

## ACTIVE HOLIDAYS

Many other outdoor activities like paragliding, horse riding and ice climbing... discover all the opportunities offered by the Sport Check Points and by the Mountain Guides to experience an active holiday on the snow.

## THE WARMTH OF THE WINTER

Enjoy the wellness generated by a purifying sauna, a relaxing massage, or a hydrothermal treatment... everything you need to disconnect from daily stress. Discover the QC Terme Dolomiti ([qctermedolomiti.it](http://qctermedolomiti.it)) and the Terme Dolomia in Pozza di Fassa ([termedolomia.it](http://termedolomia.it)). And, after an intense day on the slopes, enjoy being lulled by the waves of the aquatic centre Dòlaondes in Canazei ([dolaondes.it](http://dolaondes.it)) and the Aquapark Vidor in Pozza ([campingvidor.it](http://campingvidor.it)).

## SLIDING ON SNOW

Back to childhood while riding on a sled or a horse-drawn sleigh through an amazing snow-covered landscape or while skating at the indoor ice rink in Alba or at the outdoor ice rinks of the valley.

## TRADITIONS AND CULTURE

### THE MAGIC OF CHRISTMAS

St. Nicholas and his „Krampus“, frightening demons, open the most beautiful time of the year, Christmastime and its magic atmosphere, in the enchantment of the Dolomites.

### TRADITIONAL FLAVOURS

From the characteristic family-run establishments in typical mountain style to the most refined restaurants inspired by the territory, from mountain refuges to the typical "malghe"... In Val di Fassa you will rediscover authentic Ladin gastronomy and be welcomed by the flavours of a cuisine that tastes like home.

### THE LADIN CARNIVAL

The most atmospheric popular event in Val di Fassa has a long tradition that reaches back to the present day with wooden masks and colourful parades to greet the return of spring.
