TROI DI LADINS. WALKS IN THE SNOW

‘Troj’ in Ladin means ‘path’: mountain trails that wind their way from the valley floor through woods, rocks and architectural remains of past life. Today, they are once again accessible thanks to a special mapping system with signposts indicating the route. These walks form a petal-like pattern around the villages in the valley where they start and end.

Ask for the winter walks map at the Tourist offices

THE WARMTH OF THE WINTER

A purifying sauna, a relaxing massage with enchanting aromas, a hydrothermal treatment... Everything you need to treat yourself to a holiday in the mountains and disconnect from everyday stress is at your fingertips here... Discover the QC Terme Dolomiti (qcterme.com) and the Terme Dolomia in Pozza di Fassa (termedolomia.it). And, after an intense day on the slopes, enjoy being lulled by the waves of the aquatic centre Dòlaondes in Canazei (dolaondes.it) and the Aquapark Vidor in Pozza (campingvidor.it).

WALKING SLOWLY

Have you ever dreamed of wandering through a snow-covered forest, leaving only your tracks behind? In Val di Fassa every snowshoeing adventure is a deep dive into nature - following the footprints of wild animals or discovering a secluded cabin steeped in history. With breathtaking views at every turn and the hushed silence of freshly fallen snow, you'll experience a true sense of harmony with the mountain around you, accompanied by Alpine Guides.

SLIDING ON SNOW

Back to childhood while riding on a sled or a horse-drawn sleigh through an amazing snow-covered landscape or while skating at the indoor ice rink in Alba or at the outdoor ice rinks of the valley.

ACTIVE HOLIDAYS

Val di Fassa is a continuous ferment of experiences that combine outdoor sports, nature and wellness: paragliding, hiking, horse riding, ice climbing, ski touring and freeriding... discover all the options offered by the Sport Check Points and Alpine Guides to explore every corner of this dynamic and unforgettable valley.

TRADITIONS AND CULTURE

THE MAGIC OF CHRISTMAS

Saint Nicholas and the Krampus bring magic and mystery as they open Christmas markets and nativity scenes, lighting up the enchanted anticipation of Christmas with ancient traditions and its evocative atmosphere.

TRADITIONAL FLAVOURS

From the characteristic family-run establishments in typical mountain style to the most refined restaurants inspired by the territory, from mountain refuges to the typical “malghe”... In Val di Fassa you will rediscover authentic Ladin gastronomy and be welcomed by the flavours of a cuisine that tastes like home.

THE LADIN CARNIVAL

The Ladin Carnival is a unique opportunity to dive into the soul of mountain life and share in its rich history. As the valley's most captivating folk event, it boasts a long-standing tradition and lives on today as a multi-sensory experience. It's a joyful celebration to mark the end of winter.

NOS LADINS

The Ladin Museum

Enter a world where the past comes alive, where a vibrant and unique community, with its own language and fascinating history, welcomes you with open arms.
