### "Erano Rotti e Stracciati": a story of alpinism

Alberto Scampicotti is a successful photographer and a video maker on mountains. He is also the author of the volumes "Rotti e Stracciati", "Quelli del Pordoi" and he is going to publish "I vagabondi delle nevi", journey stories with skis all around the world.

An old man and a child. Better, an old janitor and a child with the passion for the mountain are the protagonist of "Erano Rotti e Stracciati", a book written by Alberto Scampicotti. Much more than a book: a story of words, images and footages tonight, at 9.00 p.m. in Piazz Marconi, in Canazei. The story, born in a roman district, tells about Pierluigi Bini and Vito Plumari' adventures on the Dolomites and on Gran Sasso many years ago. The fact is accompanied by the footage on the climbers Ben Laritti and Aldo Leviti, realized in the seventies by the alpinist and alpine guide Almo Giambisi, manager of the Antermoia Refuge. On the background the draws made by Alberto Graia, in order to tell the reality and the attitude that join the people who climbed in the past the entrancing vertical walls.

## High-level walks

### From Costalunga to Paschè

The route starts from Passo Costalunga (1,745 m). You come easily here driving from Vigo for 10 minutes. Once you get here, walk towards Carezza Lake, till Hotel Alpenrose, in the proximity of which there is the lower station of Paolina chairlift, which goes to Refuge Paolina (2,125 m). Got here, you can continue the hike on path no.539, and then path no.549: it will bring you in half an hour to Roda di Vael Refuge through a beautiful panoramic trail (2,238 m). From here, descend on path no.548, along the valley Paschè, where lots of pretty marmots live. Go ahead in a mule track to Costalunga Pass (1,15 h). From the pass it takes about half an hour to get to the chairlift again, following the dirt patch parallel to the street (2,30 hrs).

## Did you know that...

One upon a time in Val di Fassa, men used to get married at around thirty, when they demonstrated the standards imposed by the society. They should be indeed "Cristina, san e procurer I pans" (Ladin for Christian, healthy and able to provide for bread). Generally loves blossomed during the summertime on the mountains' pastures at high altitude or during the winter in the "stua" (room where family spend time together), during the evening vigils, when parents, girls and boys met to chat and listen old stories and Ladin legends.

To participate in the initiatives for guests is compulsory to register at least one day in advance at the Tourist Offices of the Val di Fassa Card (ask your employer accommodation). The activities are reserved for guests of the associated structures all'Apt Val di Fassa.
