Some of the athletes today challenge also for the Combinata Punto3 Craft, the ranking of which closes with the running race, after the stages of winter Marcialonga and the Cycling (took place on 7th July instead of end of May because of bad weather).

Valentina, Soreghina 2014, rewards the runners

She's been elected one month ago: Valentina Masorno, the new Soreghina 2014, starts today her role of Marcialonga ambassador, crowning the winners of the Running, at the finish line in Cavalese. Who is exactly the Soreghina? A miss, from Fassa or Fiemme, sportswoman, cultured, graceful, communicative, inspired by the legendary Ladin princess, who could live just when the sun shined. She represents now the Marcialonga in every official appointment during the whole year. Valentina, successor of Arianna Iori from Alba di Canazei (beautiful Soreghina 2013), is 19 years old and comes from Varena, speaks several languages, does athletics and cross country skiing. Today she will be together with Angelo Corradini, new president of the Marcialonga, successor of Alfredo Weiss, director of the event for many years.

Did you know that...

Legend tells that, once upon a time, a very rich woman coming from a village nearby Venice, escaped from a horrible war set up home on the hill named Dolèda, in the surroundings of Penia. The women built her castle and subjected the entire valley under her supremacy. Every Sunday she used to make for Soraga for the Mass that cannot began without her. During the trip, her slaves played the trumpet and invited the people to follow the cortège. Rumours say that the people of Fassa found in Dolèda some rings, once set in cliff, giving evidence to the castle's existence.
