During the event there will be the solidarity initiative for the associations "Un sorriso per l'Autismo" and "Bambi", followed by the Mass at 6.00 p.m. with the motorcycles blessing. On Sunday at 10.30 a.m. the VespaGiro kicks off from Moena and arrives at Pozza.

From 13th to 15th September takes place in Pozza the 7th stage of the Italian 2013 Trial Outdoor Championship, organized by the local club "Rode a Motor", on the same tracks of 2011 (Val di Fassa's 1st edition), though this time the track will be covered in the opposite sense and includes 4 brand-new areas. The motorcyclists kick off on Sunday at 9.00 am nearby the stream rio San Nicolò, and finish the trail in an indoor area. The party lasts three days in the well-equipped pavilion, where the cocktail "AperiTrial" welcome you (7.00 pm), regaled by the music of "Tira Taje della Val Del Biois" (8.00 pm). On Saturday at lunch and dinner taste the "Dish of the Trialist" (sandwiches with sausage, sauerkraut, cheese and fried potatoes) and listen to "Die Verspielten" in concert (9.00 p.m.).

Amazing hikes

From here make for Passo Lusia Refuge, and then following path no.633 you arrive at the wonderful Lusia Lakes (1,20 h). Expert mountaineers could reach from that point Forcella Lusia, making for the equipped path Gronton and arriving at Cima Bocche (2.745 m; 2 hrs.). Alternatively, you can follow path no.633 till Cima Bocche, then Bocche Lake and along path no.626 descend to Malga Bocche (1.946 m; 1,5 h). From here ascend path no.621 till the crossroads for Lusia Lakes (2 hrs.), where you take path no.633 that leads to the Lusia Refuge and then to the cable car. Did you know that...

At the end of nineteenth Century there were already a lot of tourists coming to Val di Fassa, who spent here a rather long holiday. But this phenomenon had nothing to do with actual mass tourism. Summer season lasted around forty days (from mid-July to the end of August) and, in the whole territory there were less than twenty accommodation structures, including hotels, inns and private dwellings. Except for a couple of renowned Hotels, the structures were described by English and German travellers as folksy.

To participate in the initiatives for guests is compulsory to register at least one day in advance at the Tourist Offices of the Val di Fassa Card (ask your employer accommodation). The activities are reserved for guests of the associated structures all'Apt Val di Fassa.
