Fresu, Ferra and Alborada in concert with "12"

The concert of Fresu, Farra and Alborada, in programme at Rifugio Micheluzzi in Val Duron, will take place by the cinema in Canazei, due to bad weather conditions: the admission is free but it is necessary to pick up the ticket (while seats last), from 2.00 p.m. to 4.00 p.m.

They are six: The trumpeter Paolo Fresu, the guitarist Bebo Ferra and Alborada, the string quartet composed by Anton Berovski (violin), Sonia Peana (violin), Nico Ciricugno (viola) and Piero Salvatori (cello). But on occasion of the trekking of "I Suoni delle Dolomiti" they play "12". "12" is the title of today's concert, at 5.00 p.m. at the cinema of Canazei, a concert that concludes 3 days of excursions among the groups of Catinaccio and Sassolungo, together with a large number of trekking lovers that have not only walked with Fresu and the others, but have also had the honour to attend at the dry run. The cycle of tracks composed by Fresu and inspired to the mountain, the months, colours and to different moods, are presented in solo duo, quartet, quintet and with a coral final.

Easy walks

To the water boundary stone between Moena and Soraga

To undertake this "Easy walk", from Piazz Ramon Square in Moena, follow the street towards Soraga, till you find the stairway leading to Sameda hamlet on the right side. Walk upwards along Strada de Sameda street till the small square of San Rocco's Church. Turn left on the road that faces the beautiful peaks of Catinaccio and Sassolungo. The road becomes then dirt road and leads, ascending slightly, to Soraga. When you reach the new roundabout in Pezzè you will see a little stream that indicates the antique boarder between the ancient Prince-Bishoprics of Trento and Bressanone. Here is the boundary stone. Now cross Soraga "Alta" and descend through Troi de Palua to the river park. Cross the bridge and go back to Moena along the cycle lane.

"Akàthistos", among songs and representative works

"Akàthistos" (from the Greek "a-kathistos", not seated, to declaim standing) is considered a universal, powerful and sweet anthem. The most important prayer to Hail Mary (composed in the V Century) of the Christian East, is proposed as a Sacred music show of representative Art, today at 9.00 p.m. in the evocative ambience of the parish Church in San Giovanni di Vigo. "Akàthistos: inno di lode alla Madre di Dio" is superintended and put up by Rosanna Pellicani with Ernesto Capra, Eleonora Valeria Ornaghi and Alessandro Sala. The performance, appointment of "Ispirazioni d'estate", is inspired by Pellicani's pastel works, on view from tomorrow until the 9th of August by the elementary school in Piazz J.B. Massar in Vigo (5.30 p.m. – 7.30 p.m.; 8.00 p.m. – 10.00 p.m.).

Did you know that...

In 1907 Karl Bindel, among the main promoters of the construction of Rifugio Bambergia on Fedaia, on initiative of a publishing house that had important seats in Leipzig and Stuttgart, published "Die Marmolata", a volume of few pages with some illustrations. The publication gathered with exhaustive information the main itineraries of excursions and alpine routes on the "Queen of the Dolomites". In particular, it described in details the hike from Fedaia to Contrin, as well as the ascent to the main peaks known at the time by alpinists and Dolomites' fans.

To participate in the initiatives for guests is compulsory to register at least one day in advance at the Tourist Offices of the Val di Fassa Card (ask your employer accommodation). The activities are reserved for guests of the associated structures all'Apt Val di Fassa.
