## Front-page News

### Zona 10-14

#### Vigo - Vallonga - Tamion

Leave the centre of Vigo heading for Costalunga until you reach the bridge on the stream Ruf de Val. Turn into Strada de Pontac, which follows the bank of the torrent. Go up the non-asphalt road until you find a crossing. Keep to the left, go past the revolving gate and cross the foot-bridge over the stream a few metres uphill. A beautiful section of the panoramic path leads into a small valley where the outdoor training path begins. Continue on that road: at first it goes slightly uphill, then it evens up again and you will eventually reach an area equipped with benches, tables and a playground for children. Go to the other side of the clearing and climb down to the left along the Vael forest road, follow the trees surrounding the meadows until it meets an even

### Passepartout

#### Ores and fossils

The picking up of ores within the Province of Trento is controlled by regulation L.P. n° 37/1983 which aims at preserving the mineralogical, paleontological, paleoethnological and Karsic heritage of the region of the Trentino and of the Val di Fassa as well.
