"Il 34esimo Trentino" for the Feast of the Assumption

Lucio Gardin (in the picture) is having much success also as film director. He has recently won the Imperia Video Festival with the movie "Una nuova Vita", while he has received an award at Premio Internazionale Alberoandronico for the short film "Diario di una trappola".

"The age of the 33 inhabitants of Trento is ended, the 34th has come" This is the slogan with which the comedian from Rovereto Lucio Gardin opens his show tonight at 9.00 p.m. by the events pavilion in Vigo. Gardin, multi-awarded stand-up comedian, TV author (has written for Striscia la Notizia, Iacchetti, Fichi d'India, Gnocchi, Littizzetto and many others), theatre author and film director, is up-to-date on politics and actuality and is an attentive observant of social changes. He puts on stage a monologue, in Italian and dialect, that extends from politics to morality satire, full of many prickly gags. Also thanks to the projection of pictures and to his ability of involving the public, the show doesn't know any break but those necessary to breathe between the laughs.

Amazing hikes

From Alba to Val de Grepa

From Alba take the cable car that brings to the hollow of Ciampac, from where you can enjoy a wonderful view over Sella and Sassolungo. From here take path n. 654, which goes up to Pian de Sele (2.352 m - 0,15 h). From here a long and delightful descent towards the grassy Val de Grepa starts, packed with grazing cows and horses. You will reach the areas of Poze, Ardonei, Fraine, e Coi, passing by the base of Col de Zacaron and Col de Jiadoi. The path leads to Fontanazzo, enters the wood and becomes steeper till it arrives at the stroll in the valley bottom that skirts the river Avisio (2,30 h). After passing the bridge on the stream you can reach the village, from where you can take the public transports to get back to Alba. (timetables at the Tourist Offices).

The "Omegn da mont" celebrate

The "Festa di omegn da mont", that takes place today in Campitello, is dedicated to those who see mountain as their life or dedicate their free time to it. At 9.30 a.m. a Mass will be celebrated, the mountain equipment blessed and after the Mass a procession will move to the monument for the guides in Piazz de Ciampedel square, where a memorial ceremony will be celebrated. At 11.00 a.m., the music band "Musega Auta Fascia" will conclude the Feast by playing some tracks of its rich repertoire, in the area in front of the commercial centre. A refreshment will be served finally.

Did you know that...

"La mana" is the traditional flowers and alpine herbs bunch that people from Fassa used to collect on the grazing on the 14th of August and used to bring to the blessing at the Feast of the Assumption, the day of "Senta Maria Maor". The bunch, that recalled the perfume of Hail Mary, was hung in the loft, to protect the house, or in the stable to safeguard the animals. In case of illness, the animals were nursed with an infusion of this "mana". This habit is still practiced, like the corteges and torch processions for Hail Mary that take place today in Moena, Pera and Canazei (at 9.00 p.m.).

To participate in the initiatives for guests is compulsory to register at least one day in advance at the Tourist Offices of the Val di Fassa Card (ask your employer accommodation). The activities are reserved for guests of the associated structures all'Apt Val di Fassa.
