Voices melodies among the rocks

The place of the concert can be reached ascending from Moena to S. Pellegrino pass by car and thence on foot for around 40 minutes towards the hollow of Fuciade (picture). Arrived at Fuciade refuge, continue towards Cirelle Pass for about 40 minutes more.

The beautiful peaks of Val di Fassa create a special mouthpiece for the coral mountain tracks of "Ciantie sot nescie crepe – Canti tra le rocce". This is the title of the suggestive concert that takes place today at 10.30 a.m. in the panoramic locality "La Tascia", near the wonderful hollow of Fuciade on San Pellegrino. Protagonist of the event is the Enrosadira choir from Moena (born in 1981), composed by around 40 members, directed by Barbara Pedrotti, whose repertoire contains the most famous tracks of mountain and folk tradition, but also many touching Ladin tracks. At the end of the performance, a commemoration Mass will be celebrated at 11.30 a.m. for the Fallen of the Great War in what is a very important place, as it was one of the war frontline in Fassa.

Amazing hikes

From Pozza to the green grazing of Val Jumela

From the centre of Meida in Pozza di Fassa, reach the lower station of the lifts and take the cable car that brings you quickly to Pian del Buffaure (2050 m). From here, go eastward on path n. 613 that follows the southern ridge of Buffaure, reaching the highest altitude on the summit of Sas D'Adam (2430 m) from where you can enjoy a wonderful view on the different groups of the Dolomites of Val di Fassa. The track goes slightly down to reach Sella Brunech (2428 m – 1,45 h). Continue going down along the green Val Jumela, where you can see the cattle pasturing, first along path n. 644 and then on a mule track that brings to the picturesque hamlet of Pera (2,45 hrs). In about 20 minutes more, along the easy valley track, you can go back to Pozza.

Did you know that...

After 1808 the Bavarian Kingdom, that included Val di Fassa as well, a hard fight began against the church, that had dominated until few time before, together with the principality of Bressanone and Trento. Several cloisters and monasteries were closed, and the use of bells was forbidden in some ceremonies. But above all it was forbidden to play the Hail Mary, that farmers used to hear while working in the fields, on the grazing or in the woods and that, especially for those who were working far from the belfries, marked a specific moment of the day, with habits and ancient traditions.

To participate in the initiatives for guests is compulsory to register at least one day in advance at the Tourist Offices of the Val di Fassa Card (ask your employer accommodation). The activities are reserved for guests of the associated structures all'Apt Val di Fassa.
