### Arisa sings "Controvento" in Val di Fassa

In case of bad weather, Arisa's (in the picture) concert will take place at 9.00 p.m. at the cinema Marmolada in Canazei. The entrance is free, but it will be necessary to reserve the places (while seats last), picking up the tickets at the cinema from 3.00 p.m. to 5.00 p.m.

Sophisticated look, irony and an unmistakable voice. Arisa performs today at 1.00 p.m. on the meadows of Fuciade on San Pellegrino for the festival "I Suoni delle Dolomiti", with "Controvento", that brought her to triumph at the last Sanremo and with many tracks that made her appreciated by the big public. Arisa, also famous for her participation at the TV program X-Factor, sings in a place with logistical limits. That's why the SS 346 street that goes up to Passo San Pellegrino (here the car park will be free for the occasion, and from here Fuciade can be reached on foot in 45 minutes) will be closed to traffic in both the directions from 11.00 a.m. to 2.00 p.m.: on the side of Trentino from the lifts station in Ronchi and on the side of Veneto from the crossroads with Passo Valles.

## Did you know that...

In the past child emigration (boys as shepherds and girl as housekeepers or baby-sitters) in the area of the Dolomites had several flows: Boys from Val di Fassa, to earn something, used to go and work as shepherds for the rich "bachegn" (farmers) in Gardena, whereas the youths from Gardena, to live better, used to go to Tyrol. Meanwhile, the boys from Fodom worked on the alps of Fassa because, once upon a time, it was said that: "If people in Fassa were poor, in Fodom life was so hard that everybody should have starved".

To participate in the initiatives for guests is compulsory to register at least one day in advance at the Tourist Offices of the Val di Fassa Card (ask your employer accommodation). The activities are reserved for guests of the associated structures all'Apt Val di Fassa.
