HIGHLIGHTS

ENTORN VICH IS A TOP-RATED EVENT THIS YEAR

The beloved event that turns the town-centre in a banquet hall, with typical food tastings, good music and entertainment for adults and children, is going to be a big buzz, this year more than usually. How? Thanks to the new way of buying the food tastings: differently from the past, you just have to buy a € 2 token for each tasting. To pass from one stand to another, so, becomes even more greedy, releasing your tastes and hunger. And if you find a favourite dish, you can also by more portions (if available). Everything else honours the tradition of this event that will be repeated on 26th July and also on 16th and 23rd August, even in a new version "for youths", pandering to our youngest guests.

Did you know that...

The volunteer fire-fighters department of the Province of Trento counts 223 teams in 13 districts, with more than 5000 members, continuing an ancient tradition of solidarity of people living in the mountains. The sections of Soraga, Vigo, Pozza, Mazzin, Campitello, and Canazei are part of the District of Fassa. To become a fire-fighter you have to overcome a medical examination and aptitude tests; fire-fighters have been trained adequately and offer voluntarily their time and their skills. Each team is headed by a commander and a deputy commander.
