Did you know that...

The volunteer fire-fighters department of the Province of Trento counts 223 teams in 13 districts, with more than 5000 members, continuing an ancient tradition of solidarity of people living in the mountains. The sections of Soraga, Vigo, Pozza, Mazzin, Campitello, and Canazei are part of the District of Fassa. To become a fire-fighter you have to overcome a medical examination and aptitude tests; fire-fighters have been trained adequately and offer voluntarily their time and their skills. Each team is headed by a commander and a deputy commander.
