HIGHLIGHT

"LA RESPONSABILITÀ DELLA BELLEZZA" FOR VITO MANCUSO

Our mission is to take care of our marvellous mountains, also for our kids' sake. Vito Mancuso analyzes the theme, among the majesty of the Dolomites, on the 14th of July at 17.00 at the parish theater of Pozza. "La responsabilità della bellezza" is the first of the meetings of the series "Viaggio nei rifugi dell'arcipelago Dolomiti Unesco", realized by Fondazione Dolomiti Unesco. The beginning of the festival, so, arouses great interest with Mancuso, philosopher and theologian - known by the public thanks to his appearances on the TV - appreciated for his progressive ideas. Vito Mancuso (in the picture) was born in 1962 and teaches theology at the University of Padua and at the San Raffaele in Milan. He is author of several successful books like "Il coraggio di essere liberi" (2016).

Did you know that...

"Son de sass e no me meve, son de crepa en Marmoleda, son na fia arbandoneda, e no sé per che resòn", that means: "I am made of rock and I can't move, I'm made of cracks on Marmolada, I'm an abandoned daughter and I don't know the reason why". These are the words that, following the legend, the beautiful Conturina sings, imprisoned in the rock of the Queen of the Dolomites, because of an evil spell by her cruel and jealous stepmother. It is also said that if you walk alone (and in silence) among the rocks of Valle Ombretta you can hear her sad song.
