## Itineraries

### FROM MOENA TO COSTALUNGA

Exit the hamlet walking on Strada di Mogn and overpass the first bridge on the stream Rif de Costalongia. Ascend along the stream on a dirt road. Turn right, follow the turn, and pass the river arriving at a plain. Pass over the bridge till the forest road towards Passo Costalunga (0,45 h). Ascend leftwards in the wood and then on the pasture facing Cima Pope. After a crossroads (path no. 524) you will find the signs to Costalunga. Descend then diagonally, cross the stream Rif de Peniola and follow its flow. Turn right into a dirt road that ascends for quite a long stretch. You will reach a plain: cross the fir wood and exit on a pasture. Pass by the mountain hut, and finally turn right on the state road near the Pass (1.752 m), where you can find several refreshment points (1,30 h; 2,15 hrs).

## Did you know that...

Father Massimiliano Mazzel de l'Ors was born in Gries (1900 – 1977). He attended the middle school and the seminar in Trento and was ordained priest in 1924. He has been one of the most staunch supporters of the Ladin trend: thanks to him, the first Ladin radio broadcast was transmitted in 1946 by the Rai from Bolzano. In 1963 he became president of the Union of the Ladins of Val di Fassa, in 1966 he founded the magazine "La Veis" (Avisio) and in 1967 he and professor Luigi Heilmann published the first dictionary Ladin of Val di Fassa – Italian, still a reference point for Ladin scholars.
