

Beatrice Maria Adelaide Marzia Vio, better known as Bebe, is the defending Paralympic and world foil champion.

## HIGHLIGHT

### BEBE VIO: A CHAMPION IN LIFE AND SPORT

She is a Paralympic Fencing talent, but also one of the most appreciated characters among young people and not only. Bebe Vio, twenty years old, from Venezia, is an athlete, a writer, a TV presenter ("La Vita è una figata", in English "Life is awesome" - on the Italian TV channel Rai Uno) and, above all, the symbol of an iron will that overpasses all difficulties. Bebe is the protagonist of the tonight event, at 9.00 p.m. by the cinema theatre Marmolada in Canazei, with her teammates of the Paralympic Fencing National team that is training in Val di Fassa, looking to the next important international competitions. Bebe narrates the extraordinary story of her rebirth, after that meningitis struck her at the age of 11, depriving her of her arms and legs, in front of a crowd composed by, above all, the huge number of youths taking part in the sport and entertainment courses of "La Gazzetta Summer Camp".

## Itineraries

### TO THE BOUNDARY STONE BETWEEN MOENA AND SORAGA

This easy walk starts in Moena, from the square Piazz de Ramon: follow the street towards Soraga, till you find the stairway leading to Someda hamlet on the right side. Walk upwards along the street Strada de Someda till the small square of San Rocco's Church. Turn left on the road that faces the beautiful peaks of Catinaccio and Sassolungo. The road turns into a dirt road and leads, ascending slightly, to Soraga. When you reach the new roundabout in Pezzè you will see a little stream that indicates the antique boarder between the ancient Prince-Bishoprics of Trento and Bressanone. Here is the boundary stone. Now cross Soraga "Alta" and descend through Troi de Palua to the river park. Cross the bridge and go back to Moena along the cycle lane.

## Did you know that...

The volunteer fire-fighters department of the Province of Trento counts 223 teams in 13 districts, with more than 5000 members, continuing an ancient tradition of solidarity of people living in the mountains. The sections of Soraga, Vigo, Pozza, Mazzin, Campitello, and Canazei are part of the District of Fassa. To become a fire-fighter you have to overcome a medical examination and aptitude tests; fire-fighters have been trained adequately and offer voluntarily their time and their skills. Each team is headed by a commander and a deputy commander.
