HIGHLIGHT

"SET MASES" ON A NEW TRACK

It is one of the most appreciated non-competitive sport events and, since its birth 44 years ago, gains new participants every year. The "Set Mases" is back, starting today at 10.00 a.m. from Vischia de Sach, on the shores of the Lake in Soraga to cross, running, the areas where the original 7 farmstead were located. The track, 7,58 km long and it slightly different from those of the past editions, awaits the runners, both those who aim at winning the competition and those who will simply walk along the track. Once left the lake, the race goes towards the yard "Prà del Preve", the square Piazza Cioch, Barbide, and Zester. It goes then down along strada Dolomites and up to Palua, to go back on the cycle way and, after crossing the runway, reaches Gherghele, Rois, Toalac, Vedol and goes down to Molin along the forest road to finally reach the arrival.

Upward you can see the ruins of Insom. Through the meadows, you reach Ruf de Penia pass it and go on rightward to a path into the wood. Walk through the clearing of Udàer, descend the state road on your right for 150 metres up to the guardrail on the bridge over the Avisio; do not cross it and make your way into the wood. The ascent becomes steeper till the paved street. Proceed on the bridge and walk 30 metres on the road. Then enter the wood on the right and follow the path. Did you know that...

Val di Fassa' routes had been for centuries just tree-line roads and paths in the woods: for this reason, the streets and paths of Val di Fassa have always been characterised by the presence of crosses and chapels, often decorated with saints' frescos and moralizing paintings, symbolizing the Sacred shaping people life. Actually, they were in the past a hallmark for pilgrims and travellers, especially when the area lacked of signals for the ones who travelled by foot or rode horses, through forests, crossroads, passes and valleys.

Initiatives reserved to the guests with the Val di Fassa Card (ask your hotel/apartment). Enrolments required within the previous day by the Tourist Offices. The activities are reserved to the guests of the associated structures of Val di Fassa Tourist Board.

WE THANK
