## HIGHLIGHT

### SO MANY BEAUTIES ON THE WALKWAY AT "MISS ITALIA"

The selections for the most famous beauty contest of the Bel Paese, "Miss Italia", which has reached its 80th edition, come back to Canazei, like every year. Precisely, tonight (after the preview at 6.00 p.m. in the square Piazz Marconi) at 9.15 p.m. by the Gran Tobia Taverna & Teater (free entry), the representative of Trentino South Tyrol will be elected and, after succeeding in this selection, she will go on towards the finals on TV. An important test for the wannabe misses who will have to demonstrate to be able to stay on the catwalk, wearing several clothes, smiling and being breezy. For years, the factotum of the contest directed by Patrizia Mirigliani in Trentino has been Sonia Leonardi, who has been giving useful advices to the participants, valued by a jury of representative of the local categories.

## Itineraries

### FROM POZZA TO THE MEADOWS OF CIANCOAL TO MEIDA

Get to the bridge on Avisio River, which links Pozza with Meida and walk along the sidewalk that skirts the state road toward Pera. After 200 metres, leave it, always following now Avisio's flow. Continue until the wooden bridge of Piciocaa. Once you have crossed it, you will arrive in front of a chapel recently restored and a large playground for children. Make your way to the lower path towards Meida, and cross a broad grassy plain in Ciancoal. When you arrive at the asphalt road bearing the same name, you begin to ascend. Afterwards turn right in the Street del Piz and enter Meida, where you find the Church of San Nicolò. From here, follow Street de Meida, and you will get back to the departure point.

## Did you know that...

The Art history of Val di Fassa is a clear witness of the political and cultural influences that manage it. The first Middle Age is quite undertone, even for the poor witness available. The fifteenth and the sixteenth centuries show evident guidelines of the near South Tyrol, in respect of the borderlines of the Prince Bishopric of Bressanone. Then, a change of direction towards Veneto took place, with its main member Valentino Rovisi, who was student of Tiepolo. The Nineteenth and the Twentieth centuries, instead, look artistically towards Vienna.
