## HIGHLIGHT

### PREVIEW OF FERRAGOSTO WITH FOUR CONCERTS IN ONE EVENING

Ferragosto is celebrated in music from tonight. Four are the events, in as many villages. The pop aficionados will appreciate the appointment in the square Piazz Marconi in Canazei, from 9 p.m., with "Souled Out", project that ranges from the dance music of Bruno Mars to the "classics" like the Beatles, Michael Jackson and Sting, as well as Italian singer-songwriter such as Pino Daniele. Those who love rock music, instead, can have fun in the outside area of the events pavilion in Pozza at 9 p.m. with "70Zone", cover band that presents the best of the music production during the Seventies. Finally, if you prefer the traditional Art, do not miss the Valfassa choir performing at 9 p.m. by the events pavilion in Campitello or the brass band "Mùsega da Vich" that, after parading along the road Strada Rezia, performs at the events pavilion in Vigo.

## Did you know that...

The obligation to expose the rule about serving beverage in the bars is not only a modern thing. Even in the past, the hosts in Fassa were obliged to put on the wall of the "stua" (room) the regulation of the taverns. In 1607, Francesco de Gasper, from Soraga, who hadn't measured the wine with the municipal tool "mesurador de Comun", had to pay a fee, otherwise he would be sent to jail for two days. The hosts of the inns, moreover, had to be always provided with wine, bread, milk and meat (salted and smoked) and to keep the house clean, otherwise their licence would have withdrawn.

*Initiatives reserved to the guests with the Val di Fassa Card (ask your hotel/apartment). Enrolments required within the previous day by the Tourist Offices. The activities are reserved to the guests of the associated structures of Val di Fassa Tourist Board.*
