

"Gran Festa da d'Istà" involves more than 250 volunteers who belong to the "Croce Bianca" and to the volunteer fire department of Canazei.

HIGHLIGHT

40 YEARS OF "GRAN FESTA"

The "Gran Festa da d'Istà" reaches an important age. It has been calling to Canazei the Ladins of the Dolomites – and not only them - for forty years to conclude summer in the best way possible. After yesterday opening, a rapid increase of entertainment, traditional food and music goes on from today to Sunday. Tonight, the pavilion in Strèda de Pareda, which has been built for the feast, will host the exhibition of the "Oberkraiener Power" from 8.30 p.m. Tomorrow, instead, the fun begins at lunchtime with the "Bodensee Quintett" (at 11 a.m. and at 7 p.m.) and with the "Mürztaler" from 8.30 p.m. On Sunday, it's time for the great parade (at 3 p.m.) through the streets of the village: the Ladins from Fassa and from the neighbouring valleys march in their most beautiful costumes. The music will also be there, from morning till night, with "Die Goldrieder" (at 11 a.m. and at 5 p.m.) and with "Oberkramer Kameraden" (from 7 p.m.).

Itineraries

FROM MOENA TO SAN PELLEGRINO PASS TO FUCIADÉ REFUGE

The state street n. 346 connects the town of Moena to San Pellegrino Pass (1.919 m). Descend for some 200 metres on the other side of the mountain Pass and after an overpass, turn left into the road ascending towards Hotel Miralago, where you have to leave your car. You can also park in the broad parking area on your right, before the overpass. From Miralago starts an easy dirt road, mostly flat, which brings you to the beautiful hollow of Fuciade, an extraordinary limestone Amphitheatre surrounded by imposing mountains, whose Ladin names are L'Om, Jigolè, Sas de Valfreida. The place is also particularly interesting from the botanic point of view, due to the presence of many plants and flowers, some of which are one-of-a-kind. The itinerary ends at Fuciade Hut (1.972 m; 1 h). Take the same route to go back.

The complete schedule of the events is available by the tourist offices of the valley.

Did you know that...

Several houses in Fassa, in the past, would be decorated with frescos representing Saints. But, while the paintings situated inside the churches refer to their miracles and model lives, those painted on the houses do not teach anything. These represents saints interacting with God that can be evoked in case of need. Devotional processes are similar to ex voto, insomuch that the owner chooses either his namesake saint or that to whom the nearest church is dedicated, in order to reaffirm the devotion and the fame of the saint in the local community.

Initiatives reserved to the guests with the Val di Fassa Card (ask your hotel/apartment). Enrolments required within the previous day by the Tourist Offices. The activities are reserved to the guests of the associated structures of Val di Fassa Tourist Board.
