## Itineraries

### FROM CIAMPEDIÈ AND PASSO CORONELLE TO GARDECCIA

The cable car takes you from Vigo up to Ciampediè (1.998 m), where you can take path n. 545 to Roda de Vael refuge (2.283 m; 1,45 h). Continue then on path n. 549, to the southern layers of Majaré. At high altitude make for the western face of Roda de Vael, leading to the refuge A. Fronza (2.339 m; 1,30 h; 3,15 hs). After passing the rock way, at the crossroads turn right towards the rill that leads to Passo Coronelle (2.639 m; 1h; 4,15 hs), from where you descend the pebbly path to the Davoi hollow. At the crossroads turn left on path n. 541 and passing below the east face of Catinaccio, through an easy path, reach the route that ascends to Preuss and Vajolet refuges. The descent to Gardeccia is on your right (1,15 h; 5,30 hs.); afterwards head to Ciampediè (0,45h; 6,15 hs).

The complete schedule of events is available in the tourist offices of the valley.

## Did you know that...

Among the proverbs of Val di Fassa, there are 4 connected to the weather: "Canche l pief l desch soreie la stries se lava le oreies" (If it rains with the sun, the witches wash their ears); "L vent e l temp i a enseghit prescia de jir olà no se sa" (Wind and weather are hurried to go, but we don't know where); "An da neif, an da pan, bon angern bon doman" (Snowy year, year good for bread, good yesterday and tomorrow); "El temp no a pester. El fesc chel che l vel" (The weather hasn't got any master. He does whatever he wants).

Initiatives reserved to guests with the Val di Fassa Card (ask your hotel/apartment) enrolments required by the previous day at the Tourist Offices. Activities are reserved for guests of the associated structures of Val di Fassa Tourist Board
