CLIMBING IS FUN

INTRODUCTION TO CLIMBING FOR KIDS (7-14 YEARS OLD) WITH THE ALPINE GUIDES

Did you know that...

In 1894 on Sella Pass, a hotel-hospice opened, for pilgrims and climbers. The owner was Carlo Valentini, and his name was given to the refuge, that is near the pass, on the face over Fassa, along the path that led to Gardena Valley. The structure, that had a dining room and 25 beds spread in 16 rooms, during the first days after its inauguration was photographed by Franz Dantone Pascalini, from Canazei. The refuge had been built also thanks to 400 florins lent by SAT, as long as the yellow and blue flag and the emblem of Società Alpinisti Tridentini would have been exposed.
